

ARCHITECTURE + THE CITY FESTIVAL / FALL HOME TOURS

September 11 – 26, 2020

Various locations in San Francisco

Visit archandcity.org for full programs descriptions

The 17th annual Architecture + the City festival will explore the ways we are already connected in our local built community, and work still to be done to create a healthy, equitable, and livable Bay Area. Over 30 tours, authors series, workshops, lectures, design charettes and special programs are held in partnership with 25+ partners cross-promoting. These programs include the San Francisco Living: Home Tours program, and the Architects Forum, a panel and conversation with design teams who create the featured homes.

Attendance: 400+ attend the Home Tours program and 120+ at the Architects Forum, two of the more than 25 programs offered during the festival. 1,500+ attend all programs, which include 10+ tours in addition to the day-long San Francisco Living Home Tours program. A printed festival Guide + Calendar is mailed to AIASF membership, and is one of only two printed collateral available for Sponsorship recognition annually at AIASF.
