

2023 SPONSORSHIP OPPORTUNITIES

ARCHITECTURE + THE CITY FESTIVAL

The 20th annual Architecture + the City Festival launches with the Grand Opening Party at the Center for Architecture + Design on September 8. Join this once in a generation day-long celebration of activities and events. The new Center enables the expansion of events, lectures, film screenings, tours, and gallery exhibitions and serves as the new cultural hub for architecture and design, where professionals and the public can connect, learn, and collaborate.

This September, the festival offers behind-the-scenes programs, tours, author talks, film screenings and more, providing excellent opportunities for all communities to experience architecture and design in a myriad of ways throughout the city. The spirit of the festival continues through dozens of in-person and online programs. Visit archandcity.org for full program descriptions.
